

**Proceedings of the 85<sup>th</sup> Scientific Workers Conference held virtually  
on 08.02.2021**

**10. TREE CROPS**

**1. KADAM (MTP1) and MELIA (MTP 1)**

As the Agroforestry is being given importance, these tree species have to be promoted in a large extent under TN MSDD and IFS schemes for which sufficient number of seedlings should be made available in all the districts.
